Rules

GAME NIGHT:

Each tier will consist of 3 teams and play a mini round-robin. Refer to online schedule.

All 3 teams will play a best of 3 set game to determine a winner.

The first 2 sets will be played to 25 with the 3rd set to 15.

The team not playing will keep score.

There are 2 possible outcomes:

- 2 wins, 1 win, 0 wins
- Each team has 1 win (3-way tie)

3-way tie - teams will maintain their existing rank.

Re-ranking of the teams within the tier is done by number of games won (not sets, not score).

LADDER:

At the end of week 2, teams will move up and down the ladder as follows:

- Team 1 will move up to the tier above as Team 4 or 6 in that tier.
- Team 2 will stay in the existing tier as Team 2.
- Team 3 will go down a tier as Team 1 in that tier, unless it is the bottom tier.

PLAYERS:

For the regular season, excluding playoffs, a minimum of 5 players will be permitted on the court.

Four or less players will result in a loss by default.

When only 5 players are on the court, the following rules apply:

- The team must always have 3 players in the front row.
- If starting a set with 5 players, the set must finish with 5 players.

When playing with 6 regular players and a libero, should a regular player get injured, the libero may become the 6th regular player.

DEFAULTS:

If a team is not able to play, the teams present may play an official best of 5 sets game.

A set default occurs when a team does not have enough players “ready to play” at the scheduled start time of the match. Subsequent set defaults occur every 10 minutes after that (ie. 7pm game = 1st set default at 7pm, 7:10pm = 2nd set default, 7:20pm = 3rd set default).
